Sir:

Applicants have filed a Request for Continued Examination (RCE) Transmittal in order to re-submit a Supplemental Information Disclosure Statement (IDS) mailed on February 26, 2002.

The present status of the above-identified application is that a Notice of Allowance and Fee(s) Due was mailed on April 7, 2004.

Applicants have not received back from the Examiner an initialled copy of the PTO-1449 form from a Supplemental Information Disclosure Statement (IDS) mailed on February 26, 2002.

Attorney Docket Number: P-092-US1

Serial Number: 09/847,061

The postcard receipt for the IDS was stamped by the OIPE with a March 06, 2002 receipt date. However, the IDS was not entered into the PAIR system, and the documents appear to have been misplaced and lost.

Therefore, in order to have the reference(s) cited in the IDS previously submitted to the U.S. Patent and Trademark Office on March 6, 2002 made of record in the above-identified application, Applicants have filed herewith a Request for Continued Examination (RCE) Transmittal and re-submit a copy of the March 6, 2002 IDS, PTO-1449 form and postcard receipt.

Copies of the U.S. patents and patent application publications cited on the accompanying PTO Form 1449 have been omitted in accordance with the notice published August 5, 2003 in the Official Gazette 55, stating that the requirement under 37 CFR 1.98 (a)(2) for submitting such copies has been waived for U.S. national patent applications filed after June 30, 2003.

Applicants request that an Examiner initialled copy of the accompanying PTO Form 1449 be promptly returned to Applicants and that after Examiner review, a new Notice of Allowance be promptly mailed.

Respectfully submitted,

Date: June 21, 2004
